Origin Is Right Here

遇見你 就知已是定局
Just meet you, then definite outcome is known

因為我和你 沒有距離
Because you and I, get no distance,

常伴相偎依
always lean each other

再見你 一切就是證明
Meet you again, all is proven

因為我和你 從未分離
Because you and I, never get separate,

你是我唯一
you are my only

就這樣 就這樣
So it is, so it is

就是 就是 就是這樣
It is, it is, it is just this way

所有的呈現 是那麼的真實
All appearing is so real

是那麼的無疑
is so doubtless

沒有我 沒有你
Nothing about me, nothing about you

只有觀念的在意
Only something about thoughts minding

沒有散 沒有聚
Nothing about being apart, nothing about gathering

只是不知道而已
Only about not knowing it

沒有天 沒有地
Nothing about heaven, nothing about earth
