

Pioneering Wasteland

這是一場 驚天動地的戰役
This is a war of overwhelming world
卻是一場 毫髮無傷的樂趣
But it's a joy of none harm at all

不在乎 他人的疑慮
No care that others hesitate it
只在乎 自己的持續
Only care my own constancy
唯愿不斷的 幹下去
The sole will works on it endlessly

這是一場 驚天動地的戰役
This is a war of overwhelming world
卻是一場 毫髮無傷的樂趣
But it's a joy of none harm at all

我沒有 成功的期許
I don't expect success coming
也沒有 失敗的恐懼
nor fear failures happening
因為這是 快樂的秩序
Because this is the order for happiness

這是一場 驚天動地的戰役
This is a war of overwhelming world
卻是一場 毫髮無傷的樂趣
But it's a joy of none harm at all

這是良知 甦醒的必須
This is the must of conscience reviving
也是你我 覺醒的契機
also the key of awaking you and me back to origin
因為無人 愿意被放棄
Because no one is willing to be abandoned

就這樣 人們猜疑的慣性
Therefore, people's habitual suspicion
就這樣 人們敵禦的反應
Therefore, people's hostile reaction
無聲又無息 悄然的褪去
No disturbing nor annoying, fade away tracelessly

信賴的荒地
Wasteland without trust
是人類和平 遙遠的距離
gets human far distance from peace
信賴的荒地
Wasteland without trust
是人類唯要 拓荒的盲域
gets solely necessary for human beings to pioneer the blindness
