

When I Awaken

世界是一個家庭
The world is one family
你是我最愛親人
You are my beloved family

責勿旁貸 由我做起
My absolute duty, I take on it
服務你 是樂趣
Serving you is a joy

世界和平絕不是夢
World peace is definitely not a dream
用心仔細想
Think about it deeply
有世界以來 事實真相
Since the world had formed, the truth is
立足之地 同一塊
We all stand on the same land

陽光不可取代
Sunshine couldn't be replaced
空氣無所不在
Air is always around us
就這樣 當我明白
So that is, when I awaken
你是我 我是你
You are me, I am you
你是我 我是你 一家人
You are me, I am you, one family

用心仔細再想一想
Think about it deeply
我們來時一個樣
When we came as one kind
終歸去處沒兩樣
Where we end up is all the same
何須受觀念來捆綁
Why should I be bound by my mind

敞開你 我的胸懷
Broaden mind of you and me
流露你 我誠摯真愛
Express sincere love each other
從此遠離 誘惑的搖擺
Since, far from wavering choices for lure
世界當然可愛
The world must be lovable

戰爭自然不再
Wars surely won't happen again
和平本來就在
Peace exists originally
就這樣 當我明白
So that is, when I awaken
你是我 我是你
You are me, I am you
你是我 我是你 一家人
You are me, I am you, one family
